Please join us as Dr. Brad Kerwin guides us through the transition from Preschool to Kindergarten and beyond!

Dr. Kerwin, the former Supervisor of Grades K-2 at Punahou School and an educator in partnership with over 30 schools over the past 40 years, is here to help you. Dr. K will not only answer all of your questions and provide the support you need for you and your child right now, he will also help you consider and plan for the future of your child’s education.

---

Dr. K will cover such topics as:

- How are students chosen?
- What are the schools looking for?
- Is there a perfect school for my child?
- What do I do if my child doesn’t get in?
- How good is my local public school? How do I really know?
- What can I do to prepare my child for Kindergarten?
- What can I do to guarantee that my child will be accepted?
- Where do I go with my questions?
